

Benthic habitat Type of cover (detailed)

This is a detailed map of the benthic nearshore habitats classified by the specific type of benthic habitat cover. The geospatial data are directly from the Benthic Habitat Atlas by Burdick, D. (2006). Overview, background information, and methodology used in creating these data are available at <http://guammarinelab.com/coastal.atlas/index.htm>.

Cartography and design
by Danko Taborosi
and Maria Kottermair,
2015.

This map is for awareness and educational
purposes only. It contains no authoritative positional
or other information. See the full disclaimer at
