

Rainfall distribution (variation in precipitation)

This map shows the average spatial variability of annual rainfall in southern Guam. The geospatial data were created by L.F. Heitz and is based on a previous study in Guam (Lander and Guard, 2003) and corrections recommended by Lander (2014). For more information, see WERI Technical Reports (L.F. Heitz and S. Khosrowpanah, 2015; Lander and Guard, 2003).
