

## Wave exposure

This map shows the average daily wave energy along Guam's shoreline based on wind direction, wind speed and fetch length along the wind bearing. The geospatial data were created by Peter Houk as a by-product of the Wave Energy Tool. Source: Jenness, J.S. and P. Houk. 2014. UOGML Wave Energy ArcGIS Extension. University of Guam.

Cartography and design  
 by Danko Taborosi  
 and Maria Kottermair,  
 2015.

This map is for awareness and educational  
 purposes only. It contains no authoritative positional  
 or other information. See the full disclaimer at
