

Sandy beaches Holocene beach deposits

 Beaches

This map shows the extent of Holocene beach deposits along the coast of southern Guam. The geospatial data were extracted from the detailed geologic map of Guam, produced by Guam by Siegrist, H.G. and Reagan, M. (2008) as a reinterpretation and revision of the Geologic Map of Guam by Tracey et al. (1964).

Cartography and design
by Danko Taborosi
and Maria Kottermair,
2015.

This map is for awareness and educational
purposes only. It contains no authoritative positional
or other information. See the full disclaimer at
