

## Surface geology

### General map by geologic epoch

This general geologic map of southern Guam conveys the age of different geologic units. The map is based on the newest geologic map of Guam by Siegrist, H.G. and Reagan, M. (2008), who reinterpreted and revised the Geologic Map of Guam by Tracey et al. (1964).

- Quaternary
- Pliocene and Pleistocene
- Miocene and Pliocene
- Miocene
- Eocene and Oligocene

Cartography and design  
by Danko Taborosi  
and Maria Kottermair,  
2015.

This map is for awareness and educational  
purposes only. It contains no authoritative positional  
or other information. See the full disclaimer at
