

Cultivated land (from detailed land cover map, 2011)

 Cultivated land

This map shows the cultivated land in southern Guam and includes open areas thought to be used for agricultural purposes. The geospatial data were derived from data are the land cover classification by NOAA Coastal Change Analysis Program (C-CAP) (2011). For more information see C-CAP website (<http://www.csc.noaa.gov/digitalcoast/data/ccapregional/>).

Cartography and design
by Danko Taborosi
and Maria Kottermair,
2015.

This map is for awareness and educational
purposes only. It contains no authoritative positional
or other information. See the full disclaimer at
